Hot Cast Iron...

Pancakes, Burgers...so many items are best prepared on a sizzling hot cast iron surface. With the Suburban Cast Iron Griddle, you can make your breakfast, lunch, dinner or tail gate that much better. And you can bring the griddle outside where the action is. Available in both 18" and 23" and with multiple installation options, the Elite Series griddle is specifically designed for use with RV LP supply systems. Use this griddle outside on a picnic table or in the comfort of your RV kitchen.

The large griddle plates and increased surface area allow you to cook an entire breakfast all at once. At lunch time, fry up some burgers or chicken breasts. And for dinner, how about blackened steak or fish?

...Cooks That Much Better

- Cast iron griddle plate for universal cooking
- Available in 18" and 23" options with multiple installation methods
- Cooking surface power 20% higher than comparable models
- Griddle Plate stores over base for compact storage
- Griddle Plate hang hole for easy cleaning after use
- Can be installed permanently, on drawer slides
- Can be used on countertop/picnic table when connected to propane
- Grease collection drawer for quick clean up
- Stainless Steel control panel
- Two-year limited warranty

Use only with an RV LP gas supply. Not to be used with portable propane tanks
